RE: Formal Notice of Liability – Trespass, Due Process Violations, Civil Liberties Violations, Copyright Infringement, Unlawful Creation of Debt, Harassment, Retaliation, and Color of Law Offenses

Introduction

This correspondence constitutes a formal cease and desist demand regarding your unlawful conduct on March 24, 2025, at approximately 1:00 p.m., when you, in your capacity as

Butler County Dog Warden, appeared at my private residence accompanied by two uniformed officers, believed to be from the Butler County Sheriff's Office and/or the Fairfield Township Police Department. You claimed that my dogs had attacked another dog, despite no sworn complaint, evidence, citation, or court action having been filed or presented.

No lawful process preceded this intrusion, nor was there any warrant, court order, or verified complaint to justify your presence. You, along with the involved officers, acted under color of law to intimidate, threaten, and attempt to extract a response or consent from me without due process, in violation of the U.S. Constitution, federal law, and other protected rights.

Violations of Constitutional and Federal Law

Your conduct constitutes a violation of:

- The Fourth Amendment, which protects private property from unreasonable searches and seizures. No warrant was presented. No exigent circumstances existed.
- The Fourteenth Amendment, which guarantees due process of law before the deprivation of life, liberty, or property. You sought to impose liability or enforcement based solely on an unverified verbal claim.
- 18 U.S.C. § 241, which prohibits conspiracy to deprive constitutional rights under color of law.
- 18 U.S.C. § 242, which criminalizes the willful deprivation of rights by officials acting under color of law.

The participation of law enforcement officers in this event places them under the same liability, as they knowingly assisted you without lawful authority. Let it be known that any officer or agent who aids, abets, or conspires to violate my rights will be included in lawful claims for remedy, both civil and criminal.

No Jurisdiction Over Private Property Held in Trust

My dogs are private property, lawfully registered to a private trust. They are not licensed or registered under any State program and are not subject to administrative codes that apply to public entities or corporate persons. As such, any attempt to seize or regulate them without due process constitutes theft and unlawful conversion of private property.

Under Ohio law, dogs are defined as personal property. Any effort to seize, fine, or adjudicate claims against them must be preceded by formal notice, a verified complaint, and a lawful judicial process. No such process has occurred. You and the officers involved acted without jurisdiction or lawful authority.

Secured Party Creditor & Unauthorized Use of Copyrighted Name

Be further advised that I am the Secured Party Creditor of the legal entity bearing my name, with a valid UCC-1 Financing Statement filed with the Iowa Secretary of State, placing the name and estate under my exclusive private control.
Additionally, my legal name is copyrighted by declaration and record. Any unauthorized commercial use, reproduction, or creation of financial obligations using my name—such as attempts to issue fines, citations, contracts, or debt instruments—constitutes:
- Fraudulent conversion under the Uniform Commercial Code (UCC §1-103, §1-308, §9-609);
- Unauthorized creation of debt securities, which I do not consent to;
- Violation of federal copyright law, as no license exists to use my copyrighted legal name for financial gain or enforcement actions.
Any further attempt to fabricate obligations in my name without my express consent will be viewed as intentional identity fraud, copyright infringement, and unlawful securitization of a private asset. These are not only civil torts but potential federal crimes.

Demand for Immediate Cease and Desist

You are hereby directed to:
1. Cease and desist all contact with me and my property, including my residence, my animals, and my private trust estate;
2. Refrain from issuing or attempting to enforce any citations, notices, fines, or contracts related to this matter unless authorized by a court of law with full due process;
3. Immediately cease any further efforts to act upon unverified claims or to conspire with law enforcement or other agencies to intimidate or compel performance from me outside lawful judicial procedures;
4. Acknowledge in writing within 10 days that you will no longer pursue this matter without lawful court process.
Failure to comply will result in civil and criminal complaints being filed with appropriate agencies, including but not limited to: the Ohio Attorney General, the U.S. Department of Justice, Civil Rights Division, and a federal civil rights action under 42 U.S.C. § 1983.

Notice to Law Enforcement

To the Butler County Sheriff's Office and Fairfield Township Police Officers: your cooperation with the Dog Warden in this unlawful and unauthorized action constitutes complicity in a conspiracy to violate rights under color of law. If any officer returns to my property in connection with this matter without a lawful warrant or court order, you will be held personally liable for any injury, trespass, or deprivation of rights.
You are now on notice.

Reservation of Rights

This notice is made without prejudice and with full reservation of all rights, remedies, and defenses under UCC §1-308, all applicable statutes, common law, and equity. No part of this letter shall be construed as consent to jurisdiction, contract, or commercial obligation Please be advised that the statements made herein are not mere assertions but are backed by well-established law and precedent.
Govern yourselves accordingly.

Sincerely,

Ambassador of Jesus Christ

Affidavit of Objection and Notice of Federal Suit

I, Lindsey-Morgan, a living woman, Secured Party, Private Citizen, and lawful Claimant, do hereby solemnly affirm and state the following:

1. I am in receipt of the "Order to Appear" issued by Butler County Area II Court, dated March 20, 2025, commanding my appearance on April 16, 2025, in connection with alleged violations related to dog registration and failure to appear.

2. I hereby enter a formal objection to the jurisdiction of this court and all actions arising from or related to the fraudulent citations issued by Abigail Forkner, operating under the title of Dog Warden.

3. I have previously returned the original citations marked 'NO CONTRACT' and posted a clearly visible 'No Trespass – Foreign Jurisdiction Notice' on my private land, which was in place prior to any interaction from Abigail Forkner or Butler County personnel.

4. The continued pursuit of these matters, despite lack of standing, authority, or valid contract, constitutes harassment, retaliation, and a violation of my federally protected rights under Title 42 U.S.C. § 12203, Title 42 § 1983, and other applicable law.

5. This affidavit shall serve as formal NOTICE that a federal suit is being filed, and the undersigned is preparing verified claims for monetary damages against all individual actors involved. Any further attempts to enforce this void action, including issuing or executing any warrant, will result in the addition of those responsible to the list of named defendants under federal tort and civil rights statutes.

6. I do not waive any rights and explicitly reserve all rights under UCC 1-308 and UCC 1-103. My copyright interest in my given name and estate remains intact and is hereby reaffirmed.

7. This affidavit is made for the record, without prejudice and with all rights reserved.

NOTICE TO COURT UNDER FEDERAL RULES OF EVIDENCE 201(d)

REQUEST FOR JUDICIAL NOTICE OF ADJUDICATED FACTS

COMES NOW, the undersigned, Lindsey-Morgan, a living woman, proceeding Sui Juris, and hereby provides Notice to the Court and demands judicial notice pursuant to Federal Rules of Evidence 201(d), of the following adjudicated facts and established case law which bear directly upon the constitutional rights of the undersigned to access this Court freely and without obstruction:

1. Crandall v. Nevada, 73 U.S. 35 (1868):

"Every citizen of the United States from the most remote States or territories, is entitled to free access...to its judicial tribunals and public offices in every State in the Union..."

2. Hale v. Henkel, 201 U.S. 43 (1906):

A natural individual has the right to freely access judicial tribunals and is not required to waive constitutional protections to do so.

3. Bank of Commerce v. Commissioner of Taxes for New York, 2 Black 620 (1863):

Clerk of the Court may not impose fees that obstruct access to constitutionally guaranteed remedies.

4. Howlett v. Rose, 496 U.S. 356 (1990):

State courts are bound to honor federal constitutional protections and enforce federal law under the Supremacy Clause.

5. Claflin v. Houseman, 93 U.S. 130 (1876):

"The laws of the United States are laws in the several States, and just as much binding on the citizens and courts thereof as the State laws are..."

DECLARATION AND DEMAND

- She is not a member of the Bar nor a legal professional and seeks remedy as a natural individual asserting inalienable constitutional rights.

- The imposition of filing fees constitutes a barrier to access and violates her due process and equal protection rights under the Fourth, Fifth, and Fourteenth Amendments to the United States Constitution.

- Judicial notice of the above precedents is proper and mandatory under FRE 201(d), as these are not subject to reasonable dispute and are established U.S. Supreme Court decisions.

- This Court is duty-bound to recognize these adjudicated facts and uphold the constitutional right to petition for redress of grievances free from undue burden, fee, or obstruction.

- Further, after returning the original citations with "NO CONTRACT" written across them, the Dog Warden, Abigail Forkner, returned to the undersigned's private property on Monday, March 24th and again on Wednesday, March 26th, accompanied both times by two law enforcement cruisers, totaling three police vehicles. These repeated intrusions constituted coordinated acts of intimidation and provocation in retaliation for asserting legal and constitutional rights.

Respectfully submitted this 1 day of April, 2025.
